LWR Law Offices and X Corp. Legal Department,

I am writing to request formal confirmation of receipt of the following documents, which I previously emailed to you both yesterday and again today:

1. LWR's Renewed Emergency Motion for Temporary Restraining Order (Doc. 17);

2. LWR's Motion to Plaintiff's Renewed Emergency Motion (Doc. 17, 18); and

3. LWR's April 17, 2025 Order regarding expedited briefing (Doc. 20).

The Court has ordered service of these documents "by whatever means necessary" within 24 hours of its Order. I initially attempted service through X Corp.'s registered agent, CT Corporation System, but was just informed (by email) that service via email.

Under the Court's Order, X Corp. is required to file a response to the motion within 7 days of receiving service. Please confirm receipt of these documents immediately so I can accurately inform the Court of successful service.

My confirmation of receipt will be noted in my filing to the Court, and I will proceed on the basis that service has been accomplished through my multiple attempts at notification.

I appreciate your prompt attention to this matter.
